About Me

I'm a very driven and ambitious individual, I enjoy new challenges that makes me grow as a person. I have a very good attention to detail and considered a team player. I am looking to build myself as a person and become a professional in my field of work. There is still a lot I want to achieve in life and I hope I can do that under your guidance.

Education

2021

Central University
of Technology, FS

**N.Diploma Information
Technology (Web & App)**

Completed my National Diploma at the Central University of Technology Free State. I was very proficient in Systems Software, Information Systems and Web Management. Currently enrolled as a part-time student for my Advanced Diploma in Information Technology. Successfully completed my Work Integrated Learning in 2020.

2014

Klerksdorp Technical High
School

**National Senior
Certificate**

Completed my National Senior Certificate at HTS Klerksdorp in 2014, was part of the leadership council. Appointed as Head of Soccer, was also captain of the 1st Soccer team. Participated in a lot of our schools extra mural activities.

2024

Cape Peninsula University
of Technology, CT

**Advanced Diploma ICT
(App Development)**

Currently enrolled for my Advanced Diploma in ICT (Application Development)
Focus on the full development of Applications, not only the programming part of it but also the different Software Development methodologies and processes to ensure that we develop a good system with proper documentation.

Experience

Markham Matlosana Mall – (November 2020 – August 2021)

Fashion Consultant

I was responsible for assisting customers, replenishing the store, merchandising, stocktaking, working the till register and acknowledging stock deliveries.

Hoërskool Klerksdorp – (November 2021 – August 2022)

Education Assistant

I was responsible for assisting the educator with classroom activities, typing, filing, copies, designs for school's marketing purposes, administrative work and assisting during sporting activities.

Persev Con Contractors - (October 2022 - August 2023)

Site Office Clerk - Klerksdorp Correctional Service

Responsible for compiling daily reports, calculating monthly hours for contract workers, administrative duties such as filing, printing and assisting project manager with weekly schedules. Ordering and receiving materials. Attending progress meetings.

ayoba Software Developer Programme

The programme largely focuses on a well-rounded education in modern web and application development and also covers everything from design, UI/UX development, API and Cloud Services. Covering both the technical and design aspects, gain skills that are highly relevant in today's technology-driven job market. Worked on applications such as, Student Management System, Web-based Music Player App and a e-commerce mobile website.

CapaCiTi ABSA Software Developer Internship (18-months)

(January 2024 – July 2025)

The programme largely focuses on a well-rounded education in modern web and application development, covering modules such as HTML, JavaScript, React, Express and Python programming. This is dedicated to work with bold and ambitious talent, and alongside visionary partners to design and build future-fit, inclusive societies through innovation and technology
